Ref:--G.O.2601 Rev. dated 14.12.1934.

(Put up for B&P 4557 Mis and this file in circulation) 18.12.34

I request Board's sanction for the temporary addition to the establishment of Bellary taluk office, of a post of a clerk in the scale of Rs-30-55 from the date of entertainement till the end of August 1935 to be the depot clerk at Kudatini -- village, Bellary taluk.

(not put up.)

2. In my letter Ref.c.4942/34 B1 dated 4.2.35 I informed the Board that the need for appointment of the clerk would arise from 1.3.35. But the Conservator of Forests has since written to me that it is not safe to keep the grass cut near the forests and that it would not be possible to secure grass on 1.3.35 if it is not collected and stacked from now. Agreeing with him, I have ordered the opening of the sale depot at Kudatani at once and appointed a clerk of the lower division to carry on the work in anticipation of Board's sanction. I request that my action may be approved.

Refce No. M. 1164/35-18 19.2.35

Submitted to the Govt for orders.

2. The Board requests that the Govt will be pleased to accord sanction and to approve the action of the Collr in having appointed a clerk of the lower division on Rs 30–5–50 in anticipation of the sanction of the Govt.

3. The expenditure will be met from "43-Famine Relief"

M/ The Conservator's point was that the Forest Dept. Cares not undertake to keep the hay in the forests. He wanted the Revenue Dept to take charge of the hay. Collector's action in opening a sale depot at Kudatini may be all right, provided there is a real need for grass at or near the place. If not the it comes have been better for them to send it elsewhere. Where there is need for it

Kudatini will be a depot for sale of grass
